PRODUCT GUARANTEE

If you experience a problem, please do not return to your local store. Please contact our Customer Service team at 800-255-6061 or www.nebotools.com/contact.

OPERATION
Rotate the Mode Select Dial to cycle through light modes:
Off > Low > Medium > High

Press the Trigger Button to turn the unit **On**.
Press again to turn **Off**.

Smart Power Control (SPC) seamlessly transitions through light modes.

POWER INDICATOR
This product uses 4 LED lights just above the Mode Select Dial.

100% battery: 3 green, 1 red
75% battery: 2 green, 1 red
50% battery: 1 green, 1 red
25% battery: 1 red

Press the trigger button while Mode Select Dial is in the **Off** position to show battery life.

CHARGING
Use the included charging cable to recharge the Luxtreme SL.

The last indicator light will flash when the unit is charging.

When charging is complete, all indicators will light continuously.

BELT CLIP
The Belt Clip is designed so that it can be mounted on either side of the base.

Simply screw the Belt Clip in the desired position.
