TRUE WAS BORN OUT OF THE DESIRE TO DO A LOT WITH A LITTLE.

By eliminating unnecessary bells and whistles, we've designed tools that are compact, easy to use and get the job done. Because here in the great state of Texas, we're not interested in tools that look good, but don't work. We know that when you're prepared, life's obstacles are simply opportunities in the making.

LOCKING POCKET MULTI-TOOL

The Titanium Locking Pocket Multi-Tool is packed with an assortment of easy-access tools. With multi-tools, easy accessibility is essential...that is why we designed ours to easily access, quickly deploy, and safely lock. In addition, we took the time to craft a set of tools that work as well as their full-size counterparts. No secret compartments, no unnecessary unfolding, just safe, strong and reliable tools that are there when you need them.
