**SAFE, NATURAL, FIERCE PROTECTION**

# REPELLENT MOSQUITO WRISTBAND

The REPELLENT MOSQUITO WRISTBAND utilizes a mixture of all-natural repellents that provide, safe, fierce personal protection from mosquitoes and other flying insects.

## FEATURES:

- Replaceable mosquito repellent puck
- Adjustable size; one size fits all
- Sleek, minimal design with reflective safety markings

NO CHEMICALS

NO BITE

## NO CHEMICALS?

Mosquitoes and other flying insects are naturally repelled by certain fragrances and plant life. These natural repellents are what we use for the highest efficacy and safest protection.

For too long, the go-to solution for insect repellent are harmful chemicals, sticky sprays, and obtrusive scents. Our chemical-free solution is derived from all-natural ingredients that are just as effective and pose no harmful threats to you, your loved ones, or your pets.

## OPERATING INSTRUCTIONS

- 1 Put it on.
- 2 Watch it work.

Simply put the Repellent Mosquito Wristband on and go about your business. This low-profile wristband has a repellent puck inside that keeps mosquitoes and other annoying flying insects away.

### SAFETY:

- Reflective safety materials on either side for use in the dark.

### REFILLS:

- Remove empty repellent puck and dispose of properly.
- Insert new repellent puck replacement and begin repelling.
