## 1 Identification of the substance and manufacturer

Trade name:				
Product code: Product code: Recommended use: Uses advised against: Manufacturer/Supplier:	YELLOW 0000110034 Paint and coatings application. Any that differs from the recommended use. Seymour of Sycamore 917 Crosby Avenue Sycamore, IL 60178 USA phone: 815-895-9101 www.seymourpaint.com			
Emergency telephone number:	1-800-255-3924			
2 Hazard(s) identification				
Classification of the substance or m Flammable Aerosols 1 Gases under Pressure - Liquefied gas Eye Irritation 2A Carcinogenicity 2 Toxic to Reproduction 1B Specific Target Organ Toxicity - Single	H222 Extremely flammable aerosol. H280 Contains gas under pressure; may explode if heated. H319 Causes serious eye irritation. H351 Suspected of causing cancer. Route of exposure: Inhalation. H360 May damage fertility or the unborn child.			
	GHS02 GHS04 GHS07 GHS08			
Signal word Hazard statements	Danger Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Causes serious eye irritation. Suspected of causing cancer. Route of exposure: Inhalation. May damage fertility or the unborn child. May cause drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure.			
Precautionary statements	Obtain special instructions before use. Keep away from heat/sparks/open flames/hot surfaces No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Do not breathe dust/fume/gas/mist/vapors/spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves/protective clothing/eye protection/face protection. IF INHALED: Remove person to fresh air and keep comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison center/doctor if you feel unwell. If eye irritation persists: Get medical advice/attention. Store in a well-ventilated place. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Dispose of contents/container in accordance with local/regional/national/international regulations.			
3 Composition/information on ingredients				
Chemical characterization: Mixtures Chemical Description:	This product is a mixture of the substances listed below with nonhazardous additions.			
Dangerous components:				

	components:	
	Acetone	25-50%
		15-25%
106-97-8		10-15%
	VM&P Naphtha	10-15%
64742-47-8	Mineral Spirits	5-10%
108-88-3		1-5%
	Isopropyl Alcohol	1-5%
	titanium dioxide	1-5%
108-65-6	PM acetate	1-5%

- 4 First-aid measures
  - After inhalation: After skin contact: After eye contact:

Supply fresh air; consult doctor in case of complaints. Remove contaminated clothing. Wash exposed area with soap and water. Rinse opened eye for several minutes under running water. If symptoms persist, consult a doctor. (Contd. on page 2)

## Safety Data Sheet

Printing date 01/18/2024

Revised On 01/18/2024

After swallowing:         Rises out mouth and then drink plenty of water.         Duration of induces wonling.           Most important symptoms and drinks.         Disciness         Disciness           Attention needed:         No further relevant information available.         Disciness           Fire-fighting measures         Extinguishing powder or water spray. Fight larger fires with water spray.         Special hazards:           Special hazards:         CO2, extinguishing powder or water spray.         Fight information available.           Accidential release measures         CO2, extinguishing powder or water spray.         Fight information available.           Accidential release measures         Cocidential release measures         Cocidential release measures           Personal precautions, protective grotective equipment. Keep unprotected persons away.         Use respiratory protective device against the effects of fumes/dus/userosol.           Excontinuent and closing up:         Ensure adequate ventilation.         Dispose contaminated material as waste according to section 13.           Handling and storage         Use only in well ventilated areas.         Storage requirements:         Storage requirements:           Storage requirements:         Wse only in well ventilated areas. ## Safety Data Sheet

Printing date 01/18/2024
Trade name: YELLOW

Revised On 01/18/2024

(Contd of page 3)

	(Contd. of page 3)			
11 Toxicological information				
LD/LC50 values that are relevant for classification:				
67-63-0 Isopropyl Alcohol				
Oral LD50 4,570 mg/kg (rat)				
Dermal LD50 13,400 mg/kg (ral				
Inhalative LC50/4 h 30 mg/l (rat)	, 			
13463-67-7 titanium dioxide				
Oral LD50 >20,000 mg/kg (ra				
	Dermal LD50 >10,000 mg/kg (rbt)			
Inhalative LC50/4 h >6.82 mg/l (rat)				
108-65-6 PM acetate           Oral         LD50         8,500 mg/kg (rat)				
Inhalative LC50/4 h 35.7 mg/l (rat)				
Information on toxicological effects:	No data available			
Skin effects:	No irritant effect.			
Eye effects:	Irritating effect.			
Sensitization:	No sensitizing effects known.			
12 Ecological information				
Aquatic toxicity: Persistence and degradability:	Hazardous for water, do not empty into drains. The product is degradable after prolonged exposure to natural weathering processes.			
Other information:	This product does not contain any chlorofluorocarbons (CFC's), hydrochlorofluorocarbons			
	(HCFC's), perfluorocarbons (PFC's), heavy metals (chromium, lead, cadmium), or chlorinated			
Bioaccumulative potential:	solvents. No further relevant information available.			
Mobility in soil:	No further relevant information available.			
Other adverse effects:	No further relevant information available.			
13 Disposal considerations				
Dispose of in accordance with local, st	tate, and federal regulations. Do not puncture, incinerate, or compact. Partially empty cans must be			
Recommendation:	r cut empty containers with electric or gas torches. Completely empty cans should be recycled.			
Recommended cleansing agent:	Water, if necessary with cleansing agents.			
4 Transport information
