Made in China

#### OPERATION

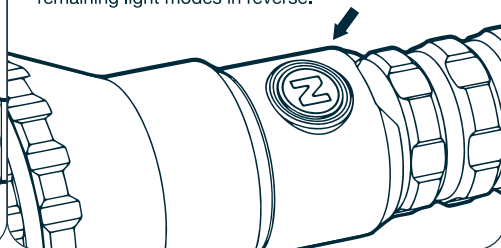

Front facing button cycles through light modes when pressed. High > Medium > Low.  
Double-tap button for Strobe mode.

Button glows when product is in use.

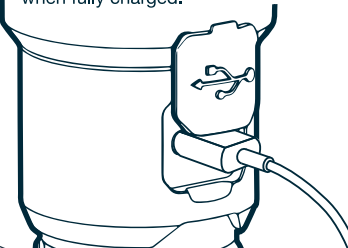

#### DIRECT-TO-LOW

When the product is OFF, the button can be pressed and held to activate LOW mode. The next button press (within 8 seconds) continues through the remaining light modes in reverse.

#### RECHARGEABLE

To charge your flashlight, simply uncover the USB-C port and plug in the included USB-C cable. Power button glows red when charging; green when fully charged.

This product is guaranteed against all defects in workmanship and materials for the original owner for one year from the date of purchase.
